On the back of this form, show property lines, existing buildings, the proposed building, or proposed fence. The sketch must include porches, patios, etc. Show building overhangs that extend thirty (30) inches beyond the foundation as dashed lines. If the lot is an irregular shape, sketch it as accurately as possible. If the construction is confined within the existing building(s), a sketch is not required. If architectural drawings are available, please include one copy for Village reference, which will be returned to you.

If you feel there are special conditions or requirements that need additional explanation, please attach them as a separate document.

### The permit fee is \$20.00

I am aware that if this is a public building, a state building permit is required. I hereby agree that any construction contrary to this application and/or the New Knoxville Zoning Ordinance will be corrected at my expense. If approved, this permit shall be void if the project is not started within six (6) months. Once started, the project shall be completed in a timely manner.
